

The background of the slide features a series of interlocking gears of various sizes, rendered in a light gray color with black outlines. Some gears are partially visible at the edges, while others are more central. A horizontal line with a small rectangular stopper is positioned across the middle of the gears, passing behind the top text box and in front of the bottom text box.

Rolling with
laughter

The background features several interlocking gears of different sizes, rendered in a light gray color with black outlines. A large, white rectangular box with a black border is positioned in the center. Above this box, a smaller white rectangular box with a black border contains the text 'FREE FAIR & HEALTHY Component #2'. The text 'FREE FAIR & HEALTHY' is in a bold, sans-serif font, while 'Component #2' is in a regular, sans-serif font. The overall design is clean and modern, with a focus on the central text and the mechanical theme of the gears.

Another round

The background is a stylized illustration of a ship's deck. It features a rope running diagonally across the top left, a pulley system with a rope passing through it, and various structural elements of the ship. A sign is attached to the pulley system, and a large, empty rectangular box is positioned in the center. The text is written on the sign and inside the box.

A clever
mixologist

The background is a stylized illustration of a ship's deck. It features horizontal lines representing planks, a rope running across the middle, and another rope on the right side. There are several small circles representing rivets or bolts along the horizontal lines. A sign is hanging from a rope at the top, and another sign is attached to a post on the left. The overall style is simple and graphic.

A fresh look

The background of the slide features a stylized, light gray mechanical illustration. It includes several hexagonal bolts of varying sizes and orientations, some of which are part of larger bolt heads. There are also gear-like shapes with teeth, and a vertical rod or shaft passing through the upper part of the frame. The overall aesthetic is technical and industrial.

The background features a stylized, hand-drawn illustration of mechanical components. On the left, there are several interlocking gears of different sizes. On the right, a large wheel with a thick tire is visible. A horizontal shaft or axle passes through the gears and the wheel, with a small rectangular component attached to it. The entire illustration is rendered in a simple, sketchy style with black outlines and light gray shading.

Dance!

The background of the slide features a stylized, hand-drawn illustration of a ship's mast and rigging. The mast is a thick vertical pole on the right side. Various ropes and lines are shown, including a thick rope at the top and a thinner one with a pulley-like attachment on the left. The lines are drawn with simple black outlines and some grey shading to indicate depth and texture.

The image shows a stylized illustration of a mechanical system. In the background, there are several interlocking gears of different sizes, rendered in shades of gray with black outlines. In the foreground, a white rectangular clipboard is tilted slightly to the right. It is held by two silver-colored metal clips, one on the left edge and one on the right edge. The clipboard has two sheets of paper. The top sheet is smaller and contains the text 'FREE FAIR & HEALTHY' in a bold, sans-serif font, followed by 'Component #840' in a slightly smaller font. The bottom sheet is larger and contains the word 'Imagination' in a large, elegant, cursive script font. The overall style is clean and modern, with a focus on the text and the mechanical theme.
